SUMMARY

3D animation student specializing in character design and visual storytelling, minoring in concept art for animation and games. Experienced in producing client-facing creative projects across production, illustration, motion graphics, and brand development — from concept to launch across web and social platforms.

EXPERIENCE

Pixel Artist 04/2026 – Present
Curaxuan, LLC Atlanta, GA

Remote game-art internship focused on pixel art asset creation and visual development

- Created pixel art for animated game character and game-ready visual assets for characters, refined sprites, palettes, and asset variations to support consistent game art

Animation Design Team Lead 06/2025 – 08/2025
SCADpro × Lowe's Atlanta, GA

SCAD industry collaboration with Lowe's focused on animation backgrounds, visual storytelling, and branded design concepts

- Created polished environment visuals in Adobe Illustrator and Photoshop while coordinating team design direction and leading illustration work for a Lowe's-sponsored SCADpro animation project

Video Editor 01/2026 – 05/2026
AAMBC Inc. Atlanta, GA

Equity-focused media organization producing inclusive digital content

- Produced inclusive video content for social platforms aligned with equity and inclusion mission
- Collaborated with editorial staff to refine technical editing and creative storytelling skills

Production Team Member 08/2025 – 11/2025
SCADpro × MSCHF Atlanta, GA

SCAD industry collaboration exploring AI, entertainment, and cross-platform storytelling

- Produced a survival variety show exploring AI and Idol Selection culture from concept to cross-platform launch
- Edited footage, created 3D animations and motion graphics, designed scripts, and contributed to brand identity

Animator & Junior Designer 03/2025 – 01/2026
SCADpro × AIG Atlanta, GA

SCAD industry collaboration for spatial design, innovation hub concepts, and wayfinding systems

- Generated 200+ design concepts for AIG's Innovation Hub; progressed to 10+ finalized spatial concepts
- Produced 2D/3D animations, storyboards, mural illustrations, and wayfinding systems for the hub

Design Intern 11/2024 – 01/2025
Aochuang Cultural Creativity Co. Dalian, China

Creative and cultural product design company

- Created AR animation for fridge magnets (Adobe AE & AI) in collaboration with Handan Museum
